

Following are a list of courses identified as “internationalized” and thus count towards certificate requirements. In addition to these standing courses, the International Education Committee has agreed to allow faculty to appeal on behalf of individual students who have completed a final project or other significant international activity as part of a course not formally a part of the Global Studies Certificate.

World Language Offerings
(at least 3, no more than 8 credits)

20802221	French 1	4 credits
